

Dear Friends & Family,

Coach Keefer has asked everyone on my Dacula High School Softball team to create a list of important people in our lives. I hope you don't mind that I have included you.

I would like to ask if you could sponsor me with a donation of \$25.00 or more.

Here's why: Dacula High School Softball Program is a self-supporting entity. This means we have to raise our own funds in order to have a successful program. The funds are needed to purchase uniforms, equipment, umpires, field maintenance, travel expenses and to participate in tournaments.

As we prepare to take the field for a new season, we're drawing inspiration from our Program's past achievements that include 2006 Region 8AAAA Champions, 2008 Region 8-A AAAA Champions as well as advancing to the State Play-off Sectional tournament the last 4 years.

Although Coach Keefer makes sure we never forget that "student" always comes first in "student-athlete", we want to be winners on the field & not just in the classroom.

We know that you can't hit any homeruns for the Dacula High School Lady Falcons Softball, but the confidence you express in us through your support in your donation will make a huge difference to my softball team and me.

I'm extremely grateful for your support and will do my best to make you proud!

From the Desk of Tracy Keefer, Head Coach of the Dacula High School Lady Falcons Softball Team.....

Thank you for sponsoring our team. History has proven that many of today's athletes will emerge as tomorrow's leaders. So in addition to enhancing our resources, your support will inspire our students to excel in competition as well as in the classroom.

Their success at balancing academics and softball is a tribute to the positive influences in their lives, like you! Coach Keefer
